October 1, 1965

IN REPLY REFER TO:

Dr. Albert Wheelon
Deputy Director (Science and Technology)
Central Intelligence Agency
Washington, D.C. 20505

Dear Dr. Wheelon:

The agenda for the NASA General Management (Administrator's) Program Review scheduled for presentation on Thursday, October 14, 1965, is forwarded for your information. The program topics to be reviewed are Manned Space Science and Advanced Manned Missions. This is the session which had previously been scheduled on September 23, 1965. This review will begin at 9:00 a.m. and last approximately to noon. It will be given in our 7th Floor Program Review Center, Room 70059, FOB 6 (4th and Independence Ave., S.W.).

In order that maximum utilization may be made of limited seating facilities and to assure seat reservations, it is requested that Mrs. Barbara Zamer be notified by Monday, October 11, 1965, whether you plan to attend. Mrs. Zamer may be reached by telephone on IDS Code 13-24631 or by direct dial on 962-4631.

Thomas E. Jenkins
Director of Program Reports
